Mr. Cliff Lippard
President, Transit Now Nashville
110 South 16th St.
Nashville, TN 37206

Dear Mr. Lippard,

I write to express my strong support for Transit Now's efforts to create a real-time smartphone application that will help Nashville residents and visitors alike take advantage of our great bus system.

I understand that your organization is working in partnership with the Metropolitan Transit Authority (MTA) to create an app that will allow bus riders to know exactly when the next bus will arrive at their station. I fully endorse those important efforts, and I believe that they will make a real difference in the way people in our city utilize mass transit.

As you know, I am working hard to increase public transportation options throughout our city. I believe the Transit Now/MTA app is an important next step in those efforts, and I applaud you for your innovative, forward-thinking work.

Regards,
