Betsy Clapsaddle  
President, Transit Now Nashville  
110 South 16<sup>th</sup> St.  
Nashville, TN 37206

Dear Ms. Clapsaddle:

Nashville is one of the fastest growing cities in the country; it's exciting to see our city consistently ranked as a top spot for tourists, businesses and places to live.

As our growth continues, we must look for ways to become a more efficient city and improve our use of public transportation. I'm proud to support Transit Now's efforts to partner with MTA and create a real-time smartphone application. The app will allow riders to track minute-by-minute schedules and encourage more riders to take advantage of our bus system.

I hope Nashville can join the ranks of other top-tier cities that provide this service to taxpayers, and I'm honored to support this effort.

Sincerely,

Jim Cooper  
Member of Congress
